

American English File 3 Grammar Bank Answer

American English File 3 Grammar

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. The language also spread to numerous other parts of the world as a result of British trade and colonisation and the spread of the former British Empire, which, by 1921, included about 470–570 million people, about a quarter of the world's population.

Dialect grammar. Dialects of English vary not only in pronunciation but in grammar. For example, people who use what is called General American English or BBC English might say, I didn't do anything, while someone who speaks what is called African American Vernacular English might say, I didn't do nothing. London working class version: I ain't done nuffink!

Given the number of places around the world that English is spoken, differences are bound to emerge. Despite how much the USA and UK have in common, there are enough differences between their two versions of the English language that someone may not always understand exactly what someone from the other country is saying.

patent definition: 1. the official legal right to make or sell an invention for a particular number of years: 2. → patent leather 3. to get the official legal right to make or sell an invention: . Learn more.

PATENT | meaning in the Cambridge English Dictionary

Defile definition: To defile something that people think is important or holy means to do something to it or... | Meaning, pronunciation, translations and examples

Defile definition and meaning | Collins English Dictionary

Is it grammatically correct to sequence paragraphs using First, Second, Third, and Finally?. If not, is there a good word that replaces Finally? Starting a paragraph with Final doesn't sound correct. I could change all of the other words (e.g., First becomes Firstly), but I prefer the shorter versions. Last is the best replacement I can come up with, but it doesn't sound as fluid as Finally.
