Writing and testing series Directives for essays, reports, tests.. "Directives" ask you to answer, or present information, in a particular way. Review these, and most of all note that there are different ways

Terms or directives for essays, reports, & answering questions

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

How to Write Guide: Sections of the Paper - Bates College

This question is a way to break the ice and make you feel more comfortable during the interview process. However, some people might find this – and other interview questions about you – slightly stressful. If you're someone who doesn't like bragging about yourself, these kinds of questions can be difficult to answer.
