Badger Publishing Problem Solving 2

As a mum and a former KS2 school teacher Vicky has first hand experience of what it takes to help teachers teach and children learn. Add that to her degree in business and 8 years of experience developing primary school products for Discovery Education and you can see why she is such a brilliant addition to our team.

The spotted hyena (*Crocuta crocuta*), also known as the laughing hyena, is a hyena species, currently classed as the sole member of the genus *Crocuta*, native to Sub-Saharan Africa. It is listed as being of least concern by the IUCN on account of its widespread range and large numbers estimated between 27,000 and 47,000 individuals. The species is, however, experiencing declines outside of ...

Pros: My first encounter with Malwarebytes Anti-Malware was around July 2018 when my Android phone was taken over by a series of malicious malware that turned my phone into an advert box of all sorts. A friend told me he had a similar issue in the past and was rescued by Malwarebytes. I decided to try it out. Luckily, they had the premium version available for a free one-month trial at the time.

I truly believe books inspire kids. It's one of the many reasons I share children's book lists with my fellow parents right here every Monday. Today, I've gathered together a collection of picture books that parents can use as conversation starters with their kids about how both small and large actions can change the world, and inspire their own kids to make a difference, whether it's ...
