The horses on this page sold at Billings Livestock Commission Company and we couldn't be prouder! A good "fit" is important between horse and rider - we work hard to provide the sale venue that allows the sellers to show their horses and a place where the buyers can feel comfortable buying a horse.

Rated 4 out of 5 by Nick from Good for the money I did alot of research on several mini bar fridges and found comfort reading alot of the reviews on this one. I feel sorry for the people who have had bad luck becuase mines the opposite. The price is very resonable for what you get. Mine wasnt damaged in any way, which is surprising, considering how its packaged.

The method of least squares is a standard approach in regression analysis to approximate the solution of overdetermined systems, i.e., sets of equations in which there are more equations than unknowns. "Least squares" means that the overall solution minimizes the sum of the squares of the residuals made in the results of every single equation.
