### **Care, Autonomy, And Justice: Feminism And The Ethic Of ...**

Autonomy is usually understood by feminist writers in the same way that it is understood within moral psychology generally, namely, as self-government or self-direction: being autonomous is acting on motives, reasons, or values that are one's own. Early feminist literature regarded the notion of autonomy with suspicion because it was thought to promote unattractive "masculinist" ideals of ...

### **Autonomy, Informed Consent and Medical Law - Cambridge Core**

While some feminists have criticized care-based ethics for reinforcing traditional stereotypes of a "good woman" others have embraced parts of this paradigm under the theoretical concept of care-focused feminism. Care-focused feminism, alternatively called gender feminism, is a branch of feminist thought informed primarily by ethics of care as developed by Carol Gilligan and Nel Noddings.

### **Ethics of care - Wikipedia**

Feminist justice ethics differs itself from feminist ethics of care by chastising such a perspective for its abandonment of universal values. In feminist justice ethics, legitimate ethical critique cannot be made without utilizing a universal set of ethics. Meanwhile, feminist postmodern ethics puts forth an entirely different view.
