Chapter 5: THE LIVING ENVIRONMENT. People have long been curious about living things—how many different species there are, what they are like, where they live, how they relate to each other, and how they behave.

### **Chapter 5: The Living Environment - Project 2061**

Historians have used the term Republican Motherhood to describe the early American belief that women were essential in nurturing the principles of liberty in the citizenry. Women would pass along important values of independence and virtue to their children, ensuring that each generation cherished the same values of the American Revolution.

### **7. The Early Republic | THE AMERICAN YAWP**

In Einstein's theory of general relativity, the Schwarzschild metric (also known as the Schwarzschild vacuum or Schwarzschild solution) is the solution to the Einstein field equations that describes the gravitational field outside a spherical mass, on the assumption that the electric charge of the mass, angular momentum of the mass, and universal cosmological constant are all zero.

### **Schwarzschild metric - Wikipedia**

Notes: The author of "Washita," James Horsley, has been gracious enough to allow his "work-in-progress" to be posted at the First Nations site so as to generate comments from those who visit here.
