This article focuses on poetry from the United Kingdom written in the English language. The article does not cover poetry from other countries where the English language is spoken, including Southern Ireland after December 1922.. The earliest surviving English poetry, written in Anglo-Saxon, the direct predecessor of modern English, may have been composed as early as the 7th century.

This guideline is a part of the English Wikipedia's Manual of Style.. It is a generally accepted standard that editors should attempt to follow, though it is best treated with common sense, and occasional exceptions may apply. Any substantive edit to this page should reflect consensus. When in doubt, discuss first on the talk page
