Exploring Social Geography (Routledge Revivals): 1st ...

Exploring Social Geography, first published in 1984, offers a challenging yet comprehensive introduction to the wealth of empirical research and theoretical debate that has developed in response to the advent of a social approach to the subject.

Exploring social geography (eBook, 2014) [WorldCat.org]

The term 'social geography' carries with it an inherent confusion. In the popular perception the distinction between social and cultural geography is not very clear. The idea which has gained popularity with the geographers is that social geography is an analysis of social phenomena as expressed in space.

In geography: Human geography Social geography concentrates on divisions within society, initially class, ethnicity, and, to a lesser extent, religion; however, more recently others have been added, such as gender, sexual orientation, and age.

Social geography | social science | Britannica.com

Social geography is the branch of human geography that is most closely related to social theory in general and sociology in particular, dealing with the relation of social phenomena and its spatial components. Though the term itself has a tradition of more than 100 years, there is no consensus on its explicit content.

Social geography - Wikipedia

Human Geography Human geography is concerned with the distribution and networks of people and cultures on Earth's surface. A human geographer might investigate the local, regional, and global impact of rising economic powers China and India, which represent 37 percent of the world's people.
