Harvard's Positive Psychology Professor, Tal Ben-Shahar, believes happiness is the result of balancing meaning with pleasure. But understanding what gives us meaning and what gives us pleasure is not as easy as it sounds. In this article, I will teach you how to track everything you do and then restructure your activities in the optimal way.

### **How to Design The Perfect Daily Routine: The Ultimate System**

Positive organizational scholarship (POS) is an umbrella concept used to emphasize what elevates and what is inspiring to individuals and organizations by defining the possibilities for positive deviance rather than just improving on the challenging, broken, and needlessly difficult. Just as positive psychology explores optimal individual psychological states rather than pathological ones,

POS ...
