Student online book exchange results page. The primary focus of this text is to empower management students with statistical decision-making skills so that they become active participants rather than passive observers in business situations in which statistical findings are reported and discussed as part of a management decision-making process.

Some discoveries are just too shocking to digest. Recently I wrote of intrepid Ron Unz, the Californian maverick publisher and IT-genius, who dared to share with his readers his insights into the ideas and motifs of revisionists, or Holocaust Deniers, as their enemies call them. But this absolutely verboten topic fades into irrelevance in comparison with his most momentous discovery that has ...
